Gary,

I reserved the big conference room on the 17th floor from 1:45 to 4:30 on April. Probably the technical people will mostly leave at 4 pm. To make the most of their time, we could start at 2 pm (or as soon as you can set up), and then Walter would join us at 2:30.

Sarah –

Ok. 2:30 to 4:00 (or later depending on interest). Can we arrive early to set up the PowerPoint?

I have to circle the wagons to see who will attend for the SPG in addition to John Connolly. I will do my best to keep the group very small, and I'll try to let you know who will attend tomorrow.

Thanks,

Gary P. Gengel

Sorry - I was confused about the starting time.

Walter is booked until 2:30 (not 1:30). We planned for 2:30 to 3:30, but we can extend to 4, and those who do not need to leave at 4 pm can stay on. I do know that Ray will have to leave at 4 pm.

We'll make it work, but don't be surprised if there is significant interest and many questions such that the meeting is valuable and lasts longer than you expect. Could we maybe start at 1:30 and people stay as long as they are interested?

Thanks,

We could give you 1.5 hours, but some people need to leave at 4 pm, and others are booked until 1:30 (e.g. Walter). Could you work within 1.5 hours?

Sarah –

Thanks. I'll provide the list of the parties in the morning.

The presentation is likely to take 2 hours with questions. Can we have two hours?

Thanks,

Gary,

It looks like Thursday, April 19, from 2:30 to 3:30 would work for EPA. Before we confirm, however, could you please provide the identities of the parties that comprise the Small Parties Group?

Thanks

-Sarah
